EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Keith Derrington on 3/26/2007.

In claim 7, the following examiner's amendment has been made:

7. A shaped charge assembly comprising:
a casing having an open end and a closed end;
walls extending away from said closed end terminating on the open end; and
a reinforcing system circumscribing at least a portion of said casing, said reinforcing system comprising a retaining shell coaxially circumscribing a portion of said casing and a bushing coaxially disposed between said casing and said retaining shell and wherein the inner surface radius of the bushing substantially circumscribes the outer surface of the casing walls.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or suggest the combination that would teach a reinforcing

system in a shaped charge assembly, the reinforcing system comprising a retaining shell coaxially circumscribing at least a portion of the shaped charge casing and a bushing coaxially disposed between the shaped charge casing and the retaining shell, wherein the inner surface of the bushing substantially circumscribes the outer surface of the walls of the shaped charge casing.

3. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James S. Bergin whose telephone number is 571-272-6872. The examiner can normally be reached on Monday - Wednesday and Friday, 8.30 - 5.30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Carone can be reached on 571-272-6873. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
